Calling ALL New York families currently receiving monthly Child Tax Credit checks ... Yes, that means YOU!

The Children's Defense Fund - New York would love to hear about the impact monthly payments are having in YOUR family's life.

Record and Submit a Video to Share Your Child Tax Credit Story!

Feel free to answer some or all of these questions in your video (and to get creative!)

- How many children do you have and what are their ages?
- How has the additional income you are receiving from the child tax credit impacted your family's budget?
 - Are there purchases you can now make that were difficult before? Have the monthly payments reduced financial stress?
- If the expanded child tax credit was made permanent, how would that positively affect your family's life?
