

Claiming the Expanded Child Tax Credit (CTC): What New York Families Need to Know

1. What is the Child Tax Credit?

The Child Tax Credit is a benefit to help families afford the daily expenses of raising children. The [American Rescue Plan](#) significantly expanded the Child Tax Credit for one year and delivered cash payments to eligible New York families with children. **Families who received monthly CTC payments last year can claim the remainder of their Credit either by using [GetCTC.org](#) or by filing a full tax return. Families who did not sign up for the CTC last year can still take action to receive their full Credit!**

2. How did the American Rescue Plan expand the Child Tax Credit?

The American Rescue Plan temporarily expanded the Child Tax Credit in three main ways:

i. INCREASED THE CREDIT'S VALUE AND EXPANDED ELIGIBILITY TO 17-YEAR-OLD CHILDREN

- Children under 6 can receive a \$3,600 per child maximum benefit
- Children ages 6 to 17 can receive a \$3,000 per child maximum benefit

ii. MADE THE CREDIT FULLY AVAILABLE TO CHILDREN IN THE LOWEST INCOME FAMILIES

- The maximum benefit is available from \$0 in earnings up through \$112,500 (unmarried filer) or \$150,000 (married filer)

iii. PAID THE CREDIT OUT IN MONTHLY INSTALLMENTS

- Families received half of the Credit via monthly payments in 2021 and will receive the remainder when they file their 2021 simplified or full tax return

PAYMENT SCHEDULE *		
2021	July 15 th to December 15 th	Monthly payments
2022	Spring	Remainder of 2021 payment

} First half of payment
 } Second half of payment

* Families who did not file taxes or sign up for the CTC last year will receive the full value of the Credit when they file their 2021 simplified or full tax return.

3. Must individuals be employed to receive this Child Tax Credit?

No! Under the American Rescue Plan, the benefit is available to families with no income.

4. Does the Child Tax Credit impact eligibility for other benefits?

No! The Child Tax Credit does not impact eligibility for other federally-funded benefit programs, such as SNAP or Medicaid. Tax credits do not count as earned income.

5. Who can claim a child for purposes of receiving the Child Tax Credit?

Under current law, a child must live with the person claiming the Credit for at least six months of the year and be a child, grandchild, sibling, niece, or nephew of the tax filer. Children whose primary caregivers are more distant relatives or family friends are denied the benefit, as are children who do not spend at least six months in a single household, such as may be the case with children who move between homes of family members.

6. What if a child has split custody?

If a child has split custody, the parent with primary custody will receive the Child Tax Credit. The child must live with the caregiver for at least six months of the year. If a child splits time equally between two parents, the one with a higher annual adjusted gross income (AGI) may claim the child.

7. Are mixed-status families eligible to receive the Child Tax Credit?

Children must have a Social Security Number (SSN) to receive the Child Tax Credit. Parents are not required to have a SSN, but must have an Individual Taxpayer Identification Number (ITIN) to claim the Child Tax Credit for eligible children.
Note: New York children ages 4 to 17 without SSNs are eligible for the Empire State Child Credit.

DON'T WAIT! Take action to ensure your family receives the *entire* Child Tax Credit payment you are entitled to and any missed 2021 stimulus payments:

- If your household earns less than \$12,500 (or if married, less than \$25,000) and you have under \$400 in self-employment income, you can **claim the CTC TODAY by visiting [GetCTC.org](https://www.getctc.org)**.
- If your income is too high to use [GetCTC.org](https://www.getctc.org), or if you prefer to file a full tax return to also claim the Earned Income Tax Credit (EITC), you can **receive FREE tax filing assistance:**
 - Visit [GetYourRefund.org](https://www.getyourrefund.org) to file online for multiple years with the help of an IRS-certified tax preparer. (*Note:* Income must be below \$66,000.)
 - Locate a [Volunteer Income Tax Assistance \(VITA\)](#) site near you to receive in-person tax-filing assistance from an IRS-certified preparer. (*Note:* Income must be below \$58,000.)
 - Visit the IRS's [Free File portal](#), which will guide you through filing your taxes online. (*Note:* Income must be below \$73,000.)
